Your bridal boudoir is the perfect way to boost your confidence and feel like a sexy, strong empowered woman.

I always give my ladies a super safe and non judgemental space, to feel the most sexy, glamorous version of their already beautiful selves.

Shoot generally last around 1-2 hours, which allows lots of time for us to chat and connect before we take any photos.

It also means that you have the opportunity to shoot around 2 to 3 outfit changes.

White underwear being most popular for your wedding themed photos, but I also encourage you to bring along a few more options for us to shoot.

All underwear is supplied by the client.
