# Boudoir

By Collette Creative Photography

Specialising in boudoir in Belfast and across the whole of Northern Ireland.

A boudoir photoshoot is the most unique and personalised gift to either yourself or someone special. Turning your boudoir shoot into an album also means that you will keep your memories forever.

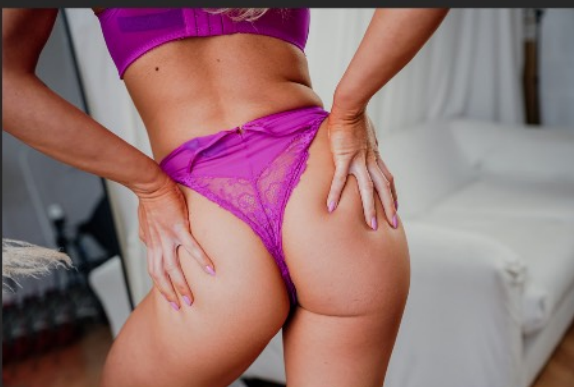

# Boudoir

By Collette Creative Photography

Your boudoir is the perfect way to boost your confidence and feel like a sexy, strong empowered woman.

I always give my ladies a super safe and non judgemental space, to feel the most sexy, glamorous version of their already beautiful selves.

Shoot generally last around 1-2 hours, which allows lots of time for us to chat and connect before we take any photos.

It also means that you have the opportunity to shoot around 2 to 3 outfit changes.

I encourage all my ladies to bring along what makes them feel strong, sexy and empowered.

All underwear is supplied by the client.
